BookFlowGo

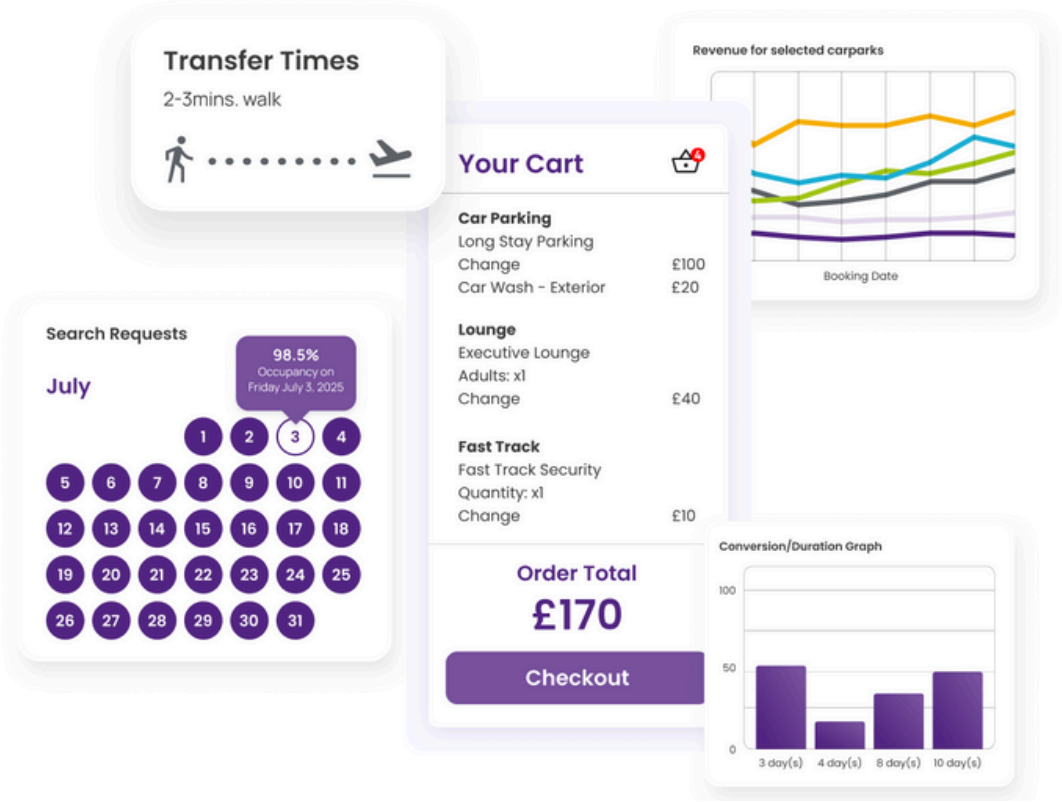
TURN YOUR PARKING OPERATION INTO A REVENUE POWERHOUSE

Every passenger entering your airport represents untapped potential. Parkspace by BookFlowGo reveals exactly who your passengers are, unlocking critical insights to help airports drive revenue, enhance passenger experiences, and boost operational efficiency.

Developed by Chauntry, the pioneer of digital airport parking, Parkspace is trusted by airports worldwide, powering parking excellence for over 30 years. Our advanced reservation platform and personalised customer engagement deliver proven commercial success.

Parkspace empowers airport executives, putting them in control to capture incremental revenue, transform traveler satisfaction, and ensure maximum profitability from every available parking space.



BookFlowGo

SOLUTIONS BUILT FOR AIRPORTS LIKE YOURS

Customer intelligence at your fingertips:
Comprehensive traveler data fuels targeted promotions and powerful loyalty programs, increasing repeat business and ancillary revenues.

Optimised pricing, maximised profits:
Dynamic, demand-driven pricing ensures optimal pricing every day.

Seamless passenger experience:
Effortless digital pre-booking and rapid, ticketless entry via License Plate Recognition (LPR), QR codes, or secure PIN reduce congestion, delight passengers, and enhance airport flow, ensuring a seamless and stress-free experience that makes them feel comfortable and at ease.

Built for compatibility:
Parkspace integrates easily with existing systems, including CRMs, payment gateways, and barrier technologies, enabling quick deployment with minimal disruption.

Real-time operational control:
Actionable dashboards and advanced analytics provide instant visibility into revenue trends and operational performance, enabling smarter, data-driven decisions.

Secure, scalable, dependable:
Our industry-leading PCI Level 1 compliance ensures the highest standard of data security, and our dedicated global support team is always available to assist you. With a proven, reliable platform, you can count on consistent performance giving you the confidence to focus on what matters most to your business.

WHY SMART AIRPORT LEADERS CHOOSE PARKSPACE:

- Trusted by airports worldwide, with over 75 global deployments
- Proven revenue growth and customer engagement
- 30+ years of market-leading innovation
